## **Project WILD, Project WET, and Flying WILD Workshops**

Beaver Lake Nature Center is hosting a series of free workshops; perfect for teachers, home school educators, and scout leaders. Advanced registration is required for all 3 workshops and space is limited. The workshops are funded by a grant from the NYSDEC Division of Water.

**Flying WILD Workshop** Saturday, June 7 from 9 am – 12 noon. Flying WILD is an exciting environmental education program of the Council for Environmental Education (the creators of Project WILD) designed for middle school students. The Materials introduce students to bird conservation through hands-on classroom activities and school bird festivals.

**Project WILD Workshop** Saturday, June 7, from 12:30 - 3:30 pm. Project WILD is an international environmental education workshop with fun, action packed sessions providing participants with 124 activities for grades K through 12.

**Project WET Workshop** Saturday, June 28 from 9 am - 3 pm. This is a national interdisciplinary water education program, that facilitates in children the awareness, appreciation, knowledge and stewardship of water resources.

Beaver Lake Nature Center is an Onondaga County Park located 4 miles west of the village of Baldwinsville, off Route 370. For more information or to register, call Beaver Lake at 638-2519.
