TROUT STOCKING HOTLINE 689-0003

The days are getting longer and the April 1st trout opener is getting closer. The Friends of Carpenter's Brook Fish Hatchery Stocking Hot Line will begin operating Thursday, March 20. The Hatchery will begin its annual stocking runs throughout Onondaga County in late March and will continue until all the fish are released. The hot line will be updated every Thursday and provide information from the proceeding week. Anglers can call (315) 689-0003 to find out how many fish are stocked in their favorite streams.

Carpenter's Brook Fish Hatchery, an Onondaga County Park facility, is open from 8:30 a.m. to 7:30 p.m. during the summer and is located on Route 321, 2.3 miles south of Route 5 intersection in the Town of Elbridge. For more information on the Hatchery, call (315) 689-9367.
